

Mounting plates Series 8298

STAHL

- > For quick and easy mounting of explosion-protected operating and monitoring devices on pipes and mesh cable trays
- > Material: Stainless steel 1.4301
- > Suitable for vertical and horizontal mounting of the devices
- > Easy installation of protective roofs
- > Insertable designation labels
- > Mounting options:
 - on mesh cable trays with grid dimension of 30 mm using clamps
 - on pipes 1 1/4", 1 1/2" or 2" using pipe clamps
 - directly to walls
- > Quick installation system for a time-saving plug-in/screw mounting of built-on devices on the mounting plate

www.stahl.de

02850E00

The quick installation system of the mounting plate allows operating and monitoring devices to be installed on the mounting plate in a time-saving and easy way, as is the case with junction boxes and small terminal boxes.

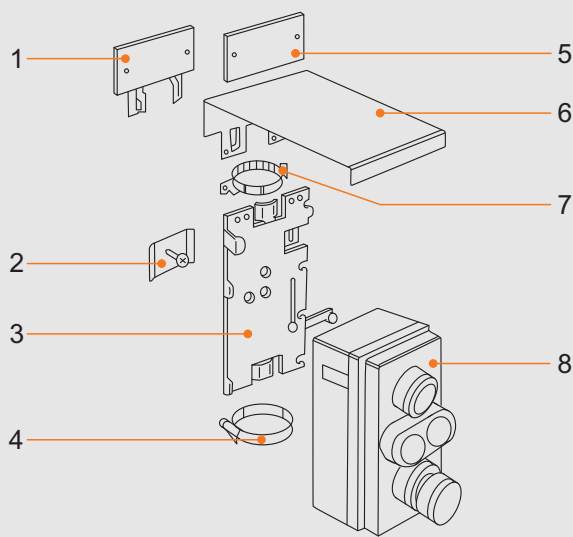

The mounting plates have to be fixed on pipes or mesh cable trays using pipe clamps or mounting brackets in a simple and cost-saving way.
