

- Ex e enclosure series made of stainless steel
- Ideally suited for terminal boxes
- 14 different standard sizes
- Cover with screws or with hinge
- Available as Ex e empty enclosure or customised as Ex e terminal box

E9

## MY R. STAHL 8151A

Ex e enclosure made of high-quality 1.4404 stainless steel, specially designed for use as a terminal box. 14 standard sizes with 1 mm/1.2mm thickness, optionally with screw-on cover or hinge with screws or cam locks, offer great flexibility for a wide range of applications. Can be customised with terminal blocks from various manufacturers, as well as a large selection of cable glands, cable entries, mounting and flange plates. The enclosures in the 8151 series are available as empty enclosures with U-certification or as fully certified Ex e terminal boxes.
