

- Ex d and Ex e cable entry for all unarmoured cables and cables with wire-braid armouring in flexible conduits
- Sealing for the outer cable sheath provided by an explosionprotected displacement seal
- Worldwide certification in accordance with IECEx, ATEX and CSA

## MY R. STAHL A2FRCA

A2FRC series metal Ex $d$ and Ex e cable entries are designed for all types of unarmoured cables and cables with wire-braid armouring that are run through flexible or rigid conduits. Installation is incredibly easy thanks to a fitting that can be rotated freely. The cable entries are designed to prevent cold flow.
