

Art. No. 253050

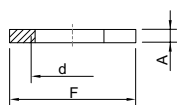

MY R. STAHL ACC1B

### Technical Data

#### Mechanical Data

|                                |                        |
|--------------------------------|------------------------|
| Material incl. surface coating | Nickel-plated brass    |
| Construction type              | Hexagon nut            |
| Design                         | Low shape with chamfer |
| Width across flats             | 50 mm                  |
| Height                         | 4.8 mm                 |
| Outer diameter                 | 0 mm                   |
| Thread size                    | NPT1-1/4"              |
| Thread pitch                   | 2,2087                 |
| Packaging unit                 | 0                      |
| Lot size                       | 50                     |
| Weight                         | 1.5 kg                 |
| Weight                         | 3.31 lb                |

#### Dimensional Drawings (All Dimensions in mm [inches]) – Subject to Alterations

F = Width across flats  
d = Thread size  
A = Height

We reserve the right to make alterations to the technical data, dimensions, weights, designs and products available without notice. The illustrations cannot be considered binding.
